

ONE LORD, ONE BODY

I need you, and you need me,
That's the way it is- in God's family.
If you're doing well, you'll be my
friend and guide;
If you need a hand, I'll be at your
side.

CHORUS

One Lord, One Body / One Lord,
One Body
One Lord, One Body / One Lord,
One Body

And when I fall, you pick me up.
When I'm thirsty, you can fill my
cup.
If you win, then it's my gain-
If you're hurting, I will share your
pain.

CHORUS

When you're weighed down, I will
share the load.
If you're ever lost, I'll help you find
the road.
When I'm tempted, remind me what
is right.
When I'm weary, please help me
fight the fight.

CHORUS

BRIDGE

Together we'll carry the light--
Shining like the stars in the heav-
ens. (2xs)

One Lord, One Body / One Lord,
One Body
One Lord, One Body / One Lord,
One Body

LOVE THE LORD

Love the Lord, your God
With all your heart,
And with all your soul,
And with all your mind,
And with all your strength,
And love your neighbor as
yourself.

Love the Lord, your God
With all your heart,
And with all your soul,
And with all your mind,
And with all your strength,
And love your neighbor as
yourself.

CHORUS

There is no command greater--
There is no command greater--
There is no command greater
than these.
Brothers and sisters--

ENDING

Love the Lord, your God!
Love the Lord, your God!
Love the Lord, your God!
Love the Lord, your God!

I'M BUILDING A BRIDGE

I'm building a bridge
To the ones who don't know me--
Whether well-off or lowly--
Reaching out far and wide.

I'm building a bridge
Up and over tall fences,
Over fears and offenses,
And the walls that divide.

CHORUS

For God built a bridge toward
me.
Reached out and He set me free;
Crossed over the great divide,
The gulf of my sin and pride.
And now I can hear Him call,
Build bridges for one and all.
So that's what I plan to do,
I'm building a bridge to you.

I'm building a bridge
To the neighbor and stranger,
Over whispers of danger--
To the new and unknown.

I'm building a bridge
Over barriers unspoken,
Where trust has been broken,
And the lost are alone.

CHORUS
